Maricela Trevino

(NOTE: This application must be presented personally to a magistrate. The magistrate may interview the applicant.)

I, the undersigned applicant, have reason to believe and do believe that Maricela Trevino evidences a substantial risk of serious harm to himself/herself or others. This harm is specifically described as follows:

maricela has started talking of committing suicide, over dosing with the drugs she takes (heroin and cocaine).

I further believe that the risk of harm is imminent unless the person named above is immediately restrained. My belief is derived from specific recent behavior, overt acts, attempts, or threats which are described in detail as follows:

Maricela has suicidal thoughts, she has mentioned over dosing herself, she walks onto on coming traffic, and on a number of times she has almost been runned over by vehicles. she stands in middle of traffic.
My relationship to the person named above is (describe in detail) my name is Fred Trevino, I am her brother.

Other relevant information: Maricela has hallucinations, hears voices and hears her children calling her. She has attempted to get into strangers vehicles looking for her children. She had the traffic stopped on Pk Av. by standing in the middle of the street. This incident happened last week.

Therefore, I request the magistrate to issue an order and warrant for emergency detention, pursuant to Chapter 573 of the Health and Safety Code, of the person named above.
